Quail Season Underway

The early November cold front has created ideal conditions for quail hunting. The grasses are dying and the birds are flying. For the next 5 months, Big Red Oak is the place to hunt quail, pheasant, and chukar.

The beautiful Georgia pines throughout the property make BRO the prime hunting experience in Middle Georgia.

Bring your own dogs or use the guided hunt services.

Hunt-your-own options are available with reservations.

Check with Lisa today to book your hunting experience.

CHRISTMAS IS COMING

Did you know Big Red Oak has gift certificates? For stocking stuffers or gifts, gift certificates are available in any amount. Check out the club house for hats, jackets, shooting accessories, turkey calls, and more. Need gift Ideas? Ask at the club house on how to get a gift membership.

Updated November and December events coming soon.

January 1 NSCA Registered event will be on Scorechaser.

*During private events, BRO's other courses, including five stand, sub-gauge, skeet and trap are open and available to members and the public.

WINTER CLAY SHOOTING

The winter months are a great time to work on your sporting clays game. Big Red Oak has five courses to meet your shooting needs. Check out the new "Back 40" with challenging targets for serious shooters.

The quail course is set for recreational shooters of all levels. This is a great place for families and youth shooters, warm up for bird huntings, or just a fun afternoon.

The pheasant course is a bit more challenging, but offers something for most shooters. With 3 traps on 12 stations, squads can choose sporting or super sporting menus.

The club has an 8 station sub gauge course that is great for smaller gauges or 12 gauge practice.

The Patriot course is provided for our youth shooting teams with common practice targets often seen in competition.

Are you a reloader?

Big Red Oak has received some long awaited reloading supplies. Come check out the 12, 20, and 28 gauge wads, powder, shot, and primer.
