Clays for Strays

Saturday, April 13th, 2024

Thomasville Humane is pleased to announce its Annual **Clays for Strays** event taking place on **Saturday, April 13th, 2024** at the **Flint Skeet & Trap Club** located at 1319 Lily Pond Rd. in Albany, Georgia.

As one of the most anticipated events in our community, Clays for Strays has been instrumental in supporting our mission of providing care and shelter to animals in need for over a decade. Clays truly is an event for shooters of all experience levels to participate in, and spectators are encouraged to attend.

As always, participants will compete in teams of four in a combination of shooting games. Every shooter will enjoy 25 targets in Skeet Competition, 25 Targets of Wobble Trap, and 50 targets on the Driving Sporting Clays course! Shooters also have a chance to compete in the Long Bird Exhibition, a 50/50 cash prize for the winner! All shooters will receive a shooter pack with exclusive Clays for Strays 2024 merchandise and equipment. Registered Shooters may also enjoy a catered lunch.

We look forward to another incredible Clays for Strays event and hope you will join us!

Clays for Strays

A glimpse at previous years

We are hosting our annual Clays for Strays Tournament and it is our hope that this event continues to be our most successful fundraiser for the year.

We owe the success of this day year after year to our incredible sponsors, both corporate and individual, and the supportive community that surrounds us.

This year, our event will feature a brand new venue located in Albany, about an hour north of Thomasville. We are excited at this opportunity to expand our mission into South Georgia, as we work to Create Impact all over the State.

We look forward to forming new partnerships this year and seeing some new faces at this event!

About the Host Organization

Who We Are

Thomasville Humane is the largest no-kill shelter in all of Southwest Georgia. We operate with an impressive 96% live release rate. When it comes to humane care for animals, we are proud to be recognized as a national leader in best practices. This year, we were selected as a Super Mentor for the State of Georgia by Best Friends National Animal Sanctuary, to provide education and resources to bring the State of Georgia to no-kill status by the year 2025.

In addition to our Statewide initiatives, we serve the Thomas County and Thomasville communities in various ways. In addition to caring for homeless dogs and cats, and finding their forever homes, we act as a resource hub to both pet owners and non-pet owners in our community. We provide lost pet services, including low-cost microchipping. We specialize in pet retention services, including the operation of a pet food pantry, training and behavior modification assistance, and pet retention counseling. We coordinate community cat programming and TNR services to mitigate the feral cat population issue in the most humane way. We also offer low cost spay and neuter services, making these costly procedures accessible to low-income residents in our community.

Being primarily funded by donations, grants, and our own fundraisers (like Clays for Strays), we rely on the generosity of individuals and corporations to fuel our mission of animal lifesaving. Clays for Strays is an especially meaningful event for us because it brings together our mission and commitment to animal welfare and the incredible sporting culture of South Georgia. Every year, this event brings together individuals and businesses alike for a day of friendly competition and camaraderie, all while making a meaningful impact on the lives of our furry friends.

We invite you to our shelter any time to learn more about the work that we do and to meet all of our adoptable pets! Until then, we look forward to seeing you out on the Range on Saturday, April 13th!
