Food Trucks Coming for Registered Shoots. Public Welcome

Big Red Oak has begun having local food trucks to provide lunches during our registered sporting clays events. We invite the local community to come out as well. Information about upcoming food trucks can be found at our social media postings on Facebook and Instagram. Come out and join us when you see the posts. The food is delicious and the people are always great. Ask for a tour of the facility, or membership information while you are here.

Quail Season Winding Down

The weather is perfect for morning and afternoon quail hunts. The beautiful Georgia pines throughout the property make BRO the prime hunting experience in Middle Georgia. Only 60 miles from Atlanta.

Plantation quail hunting ends on March 31st so there is still time to book your hunt this year.

Now is the perfect time for a quail hunt. Book your hunt today with Lisa.

Plan now for Summer and Fall gatherings. BRO has excellent facilities for family reunions, weddings, corporate outings, and more.
