## West Georgia Patriots at SCTP Regional

The youth shooting team based at Big Red Oak recently took 24 talented shooters to Savannah for the SCTP Southeast Regional Competition.

Several talented Individual performances were recorded, with two young ladies placing in the top five of all four events in their division

The team also had a top three finish in the combined overall scores among all of the ladies. Congratulations to every shooter that attended and thanks to all of the parental support.

If you see a Patriot out on the course (Red, White, and Blue vest) please give them a word of encouragement. They are the future of our shooting sports.

## New Traps Have Arrived

Big Red Oak just received 30 new Promatic traps. While the Promatic crew was here, they tuned up all of the existing machines. Look for some new presentations coming up.

The new machines will be part of an additional course which will be added in the very near future.
