

Welcome Home

MAY 2025

Big Red Oak is the premier clay shooting and bird hunting venue in the southeast!

Bird Season is Over, but it's a Year Round Job

Plantation quail season ended on March 31st, and all of the hunters are gone. But Mike and his crew are hard at work to make next year's hunts great. BRO staff members are burning quail fields to improve the habitat. Roads are being graded to provide smoother access to deer and quail fields. Book your quail hunts for next year soon. Prime dates go fast. The season will open Oct 1, 2025.
